O.C. Academy of Pet Styling has compared the best quality grooming tools. These tools are expensive but we have negotiated reduced prices for students enrolled in this course. The tools required for this course are the basic you will need to begin your styling career. In the future you will probably want to add back-ups and other equipment that will suit your needs. As can happen with all mechanical items, occasionally a tool or blade is defective. There is a manufacturers warranty and the manufacturers are excellent at honoring this warranty. Your tools should be inspected the first day. If you have a non cutting tool or blade, it will be replaced after inspection by the instructor. **DO NOT THROW AWAY THE BOXES OR MARK YOUR TOOLS** until you are sure that everything works properly. O.C. Academy of Pet Styling or the manufacturers **WILL NOT ACCEPT** any tool for replacement without a box or that have been marked. If a tool is broken or will not cut after this replacement, the student is responsible for the cost of shipping the tool to the manufacturer. (Remember, this happens in the pet grooming industry and you will need to know the procedure.)

Students may bring their own pets in to work on as a demo. All pets brought in for demonstration must be approved in advance through the instructor.

CHILDREN

Students will not bring their children for any reason. They will have to make other arrangements.

ABSENCE AND TARDY POLICY
